Farewell and Many Thanks to Outgoing Grants Co-Chair Sarah Jane Moore

Dear Friends

For more than forty years, the JICSL has evolved with changing times, and while this past season was uniquely complex, it was an extraordinary one. The JICSL distributed \$1,579,500 in critical donations to 43 non-profit Indian River County agencies including:

- \$1,118,000 Grants to Indian River County Agencies
- \$55,000 JI Employee Scholarships
- \$206,500 Strategic Grants
- \$200,000 COVID-19 Fund

Our fundraising efforts last year included the overwhelming success of the 1000 for 1000 Campaign, along with a very profitable season at the Tambourine Shop, a successful Masters Par 3, the sparkling Tiffany raffle, our newly introduced auction, and the sold out Kitchen Captive cookbook. These were not the only things which allowed us to give so much to our neighbors in need. We could not have done this without you! More JI households were more generous than ever before.

THANK YOU!!!!

Betsy Fox (President)

Our Grants Team, Marlynn Scully Strategic Grants Team and Special Projects Team worked diligently to identify the greatest need in our community this past season. Please be sure to read about the focus of their work on pages 6-10. Again, they would not have been able to award these grants without your generosity.

Thank you for your commitment to the futures of thousands of lives. You have shown your depth of caring for our Indian River County neighbors in need. You can continue to support them, by becoming a member, by making a donation and attending our events. Your participation means so much to so many.

Betsy H. Fox
JICSL President

Our Grant Programs 2021

This year we distributed **\$1,579,500 in grants.**

Lifetime grants total \$15,616,697

WE ALLOCATED GRANTS THROUGH 4 SEPARATE CATEGORIES:

MAIN GRANTS COMMITTEE – 60 Members distributed \$1,118,000 to 39 Agencies. We fund general operating expenses for Agencies who meet our mission. Agencies are screened initially to ensure they meet our mission, are a 501(c)(3) and have audited financials. Then they are permitted to apply to our annual cycle which begins in October and ends in March. Each Agency and program is thoroughly analyzed and all are visited.

MARLYNN SCULLY STRATEGIC GRANTS COMMITTEE – 9 Members allocated \$206,500 to 6 Agencies. The Strategic Committee funds start-ups, off cycle requests, collaboratives, and multi-agency collaborations. We assess requests year-round. Generally, funding is one-time.

SCHOLARSHIP COMMITTEE – \$55,000 in Scholarships Funds were donated to JI Employees and their Children for certificate programs and college scholarships.

CONTINGENCY FUND – We allocated \$200,000 to the United Way COVID-19 Community Response Fund.

Marlynn Scully Strategic and Contingency Grants Awarded

2020-2021

The last 18 months have been challenging times. Unforeseen need arose in our community because of these challenges. Fortunately for us, we were able to turn to the Marlynn Scully Strategic Fund and our Contingency Fund to meet these needs and make impact quickly to help our community. Below you will find brief descriptions of where these grants went.

Immediate COVID Needs - In May 2020, we gave an additional \$200,000 to the UW COVID Fund to meet food, pharmacy, rent and utility needs. This money was available and used before Federal CARES funds were available to the County. These funds came from our Contingency Fund.

Strategic COVID Needs - In May 2020, the HEART program was born to help County residents with evictions and foreclosures. The JICSL committed \$150,000 to this, though only \$37,500 has been drawn so far. The reason is because HEART received \$100,000 from the CARES funds. As soon as the CARES funds are fully drawn, our remaining commitment will be used to maintain the program for an additional year.

Remedial COVID Needs - As time passed, it was clear that COVID impacted mental health, jobs and academic slippage. To bolster these needs The Marlynn Scully Strategic Fund made grants in April 2021:

Crossover Mission - \$28K for middle school math remediation for 181 kids June and July 2021.

United Against Poverty - \$45K to hire an additional career coach for adults who completed the STEP jobs program. They only had one coach for 500 graduates and they needed additional help.

McCabe Connections Center - \$36K for *Mental Health First Aid* training that will train 2,000 County residents to understand, identify and respond to situations involving mental health or substance abuse.

Intensive Outpatient Program (IOP) - \$50,000 for the creation of a 12 week program at Cleveland Clinic for teens with severe mental health problems. We have committed an additional \$50,000 a year for the next two years to get this program up and running.

Finally, it is important to highlight the volunteer efforts of 32 JI Members who did hands-on volunteering for 4 months to help Treasure Coast Community Health distribute COVID vaccines in Indian River County. Their efforts also helped John's Island employees and their families receive vaccines. Their names are on page 19.

SCHOLARSHIPS FOR JOHN'S ISLAND EMPLOYEES AND THEIR CHILDREN

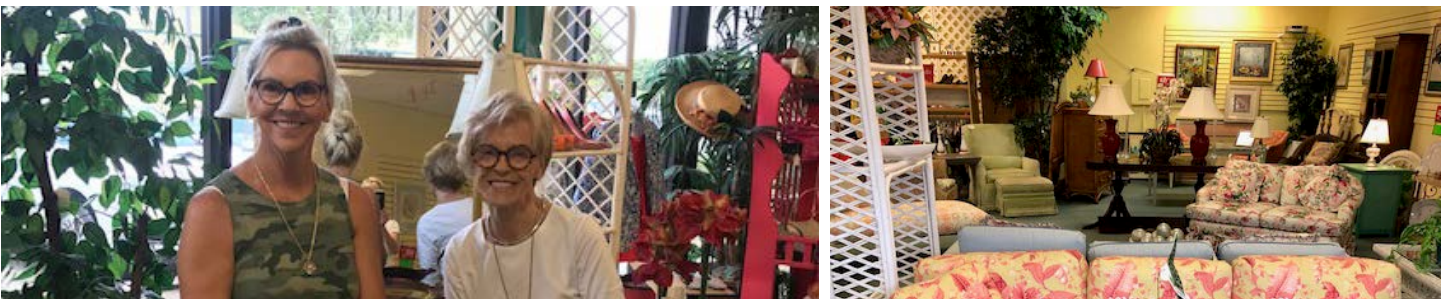

\$55,000 (2021) - \$680,809 (TOTAL since 1999)

NORMA MONTOYA - J.I. Fitness Services Manager and recipient of a 2021 JICSL Employee Scholarship.

Since 1999, we have awarded college scholarships to children of JI employees. In 2019 we began a program in coordination with Indian River State College to pay for tenured and GPA eligible full time JI employees to pursue a degree or certificate program.

Tambourine Shop

Terry Osteen - Tambourine Chair

The Tambourine Resale has exceeded all expectations with special thanks to the dedicated manager, volunteers and donors alike. The 2020-2021 year was successful in so many ways. For starters the “net sales” increased an astonishing 33.5% increase over the previous year which earned the highest profit in the over 40 year history of The Tambourine Resale.

FOUR STEPS CAME INTO PLAY WHEN ASSESSING THE CONTRIBUTIONS:

- 1 - Attracting more customers during unprecedented times of covid
- 2 - Providing an exemplary thrifting experience
- 3 - Retaining customer loyalty
- 4 - Stepping up our social media presence.

Attracting and keeping customers safe in the store during COVID-19 was first and foremost on our minds, which is why we adhered to all CDC guidelines. The refurbishing of fixtures and signage, as well as the organization and updating the look on the inside of the store made it easier for customers to browse. Optimizing our area for quick drop off and pickup and increased curb appeal made it more enticing for all customers

and donors. Increasing advertising on most social media platforms including Facebook, Instagram, Google, and Yelp were all very beneficial. We are not only a “thrift store,” we are also a place where everyone who walks in the door is greeted by the friendly manager of 18 years and the volunteers who make everyone feel safe and welcome.

There is no doubt that online shopping can be easier, but there are a few things that online stores cannot deliver. The most obvious is a physical, in-store experience as well as ever changing inventory that is always exciting for repeat customers. Having a steady stream of repeat customers is necessary for any retail store. Everyone looks for a unique and individual item which they will consider a “great find.”

As far as future goals, we are looking forward to more quality donations, training more volunteers, and stepping up our social media to gain more followers. These efforts will help garner higher quality donated items while trying to get the word out that The Tambourine Resale represents the John’s Island Community, all while maintaining a sense of pride.

We are constantly evolving and with positive feedback from customers and donors, we are super excited to see what this new year brings.

Don’t forget to donate your nearly new or gently used items (including women’s and men’s clothing), housewares, furniture, golf clubs, jewelry, and any other items you think will sell in our “upscale” resale.
