Dear Friends,

What an extraordinary year it has been for the John's Island Community Service League as we celebrated our 45th anniversary! Thanks to your generosity, we distributed \$2,135,750 in grants and scholarships to 37 nonprofit agencies supporting 47 programs, a 26 percent increase from last year.

Of this total, we awarded \$35,000 in scholarships to John's Island Club employees and their dependents, bringing our cumulative scholarship awards for this group close to the milestone of \$1 million since the program's inception in 1999. In addition, we continue to support the Take Stock in Children program, which provides scholarships for low income students to attend Indian River State College. For this year, we increased our support from three to five scholarships.

Under the dedicated leadership of Ellen Kendall, the League responded swiftly to Hurricane Milton with a \$250,000 grant to United Way. Our calendar was filled with fun and memorable events, including the Opening Luncheon with Meredith Egan from United Way, a community conversation, our first ever joint New Member Cocktail Party with the John's Island Foundation, our largest Game Day, the Spring Benefit Home on the Range featuring Wynonna Judd, the Masters Par 3, and our Closing Luncheon honoring the nonprofit leaders we proudly support.

Our Tambourine Resale Shop continued to thrive, providing vital funding while giving the community the chance to "clean your closets" and turn treasures into meaningful impact for those in need.

None of this would be possible without the people who give so generously of their time, talent, and resources. We are deeply grateful to our 800 members and 220 volunteers whose commitment makes every success story possible, to our Grand Sponsor John's Island Real Estate Company and 24 additional sponsors whose support fuels our work, and to the many friends who show up year after year with enthusiasm and kindness. I feel especially fortunate to serve alongside a talented and dedicated Board of Directors whose vision and creativity guide all that we do, and our wonderful staff, Summer, Mary, and Jane, who keep the League and the Tambourine Shop running successfully.

As I begin my first year as President, I look forward to building on this momentum and continuing our work to strengthen the community. Please renew your JICSL membership via the enclosed card or at JICSL.org, and continue standing with us through your membership, generosity, and participation. Together, we can make an even greater difference.

Michelle Julian

MARLYNN SCULLY STRATEGIC AND CONTINGENCY GRANTS AWARDED

In 2024–2025, the John's Island Community Service League distributed \$198,250 in Strategic Grants through the Marlynn Scully Strategic Grants Fund. This includes \$59,500 in accrued prior commitments. An additional \$7,500 was awarded and will be disbursed by December 31, 2025.

The Marlynn Scully Strategic Fund was launched in 2017 with \$500,000 in seed funding from Marlynn and Bill Scully. This Fund complements the JICSL annual grant cycle by enabling us to problem-solve with local partners on emerging issues affecting Indian River County, make off-cycle and multi-year grants, provide start-up funding for new programs, and help scale high-performing organizations or support them in launching new ventures.

Since its inception nine years ago, the Fund has distributed over \$1.1 million in Strategic Grants. Replenished annually, it continues to support innovative initiatives that strengthen the Indian River County Community.

NEW GRANTS IN 2024-2025

Tykes & Teens –\$60,000

This grant supported Tykes & Teens in responding to the sudden closure of Suncoast Mental Health Center, formerly the largest provider of youth mental health services in Indian River County. The funding allowed Tykes & Teens to hire two of Suncoast's full-time therapists, both with active caseloads across local elementary, middle, and high schools, and to assume Suncoast's centrally located, affordable office space near Vero Beach High School. The grant covered essential transition costs, including onboarding, credentialing, and setting up Medicaid billing, helping ensure uninterrupted care for vulnerable children and families.

Indian River County Healthy Start – Fatherhood Program / T.E.A.M. Dad Program - \$25,000

Launched in 2022, the Fatherhood Program supports fathers in

becoming active, positive influences in their children's lives. Through group mentoring, one-on-one home visits, and childbirth education, the program promotes healthy birth outcomes, strong parent-child relationships, and awareness of child development. The **T.E.A.M. Dad Program**, now a state-mandated initiative for all Healthy Start Coalitions, further strengthens this work by offering father-focused classes, including the evidence-based 24/7 Dad curriculum. Participants, including fathers, partners, and other support persons, receive guidance, education, and community mentoring to prepare for childbirth and develop strong parenting skills, fostering long-term benefits for families and children throughout Indian River County.

PAYMENTS IN 2025 on Prior and Multi-year Commitments

Coalition for Attainable Housing – \$37,500

This grant represents the second half of a \$75,000 first-year commitment to support the launch of Indian River County's first Community Land Trust. Designed to increase the supply of permanently affordable housing for working families, including teachers, hospitality workers, healthcare workers, and others. The Trust uses tools such as income restrictions, resale caps, and tax incentives to keep homes accessible over the long term. JICSL funding helped support

the startup operations and staffing of the Trust, which has completed its first financial audit and achieved certification offered to Community Land Trusts by the Florida Housing Coalition.

Gifford Legal Services Clinic – \$5,000

This grant funded the first audit report, a key step in strengthening its operations. Located within the Gifford Youth Achievement Center—the social services hub of the Gifford community—the Clinic provides pro-bono legal support to low-income and asset-limited individuals who would otherwise lack access to legal services..

Indian River County Healthy Start - Healthy Families Program – \$17,000

The final payment of a three-year, \$50,000 grant was distributed in 2025 to support this home-visiting intervention program for young families at risk of abuse. Sponsored by Ounce of Prevention under the Florida Department of Children and Family Services, the program was previously at risk of shutting down—threatening services for more than 100 families annually. The grant helped restore the program under Healthy Start IRC leadership, ensuring continued support for vulnerable families in our community.

Mental Health Collaborative – IRC Clinician Development Cohort Program

\$47,750 Distributed in 2025 | \$62,750 Total Since 2024

The second year of a \$400,000 multi-year grant was awarded in 2025 to support the **Clinician Development Cohort Program**, aimed at addressing

the severe shortage of licensed mental health professionals in Indian River County. Long wait times, often two to three months, and difficulties recruiting and retaining clinicians have created a mental health access crisis in our area. Led by the Mental Health Collaborative, the program brings together seven local mental health agencies to attract and retain qualified clinicians, including recent master's graduates working toward licensure. Participants receive bonuses, continuing education support, and opportunities for professional and social connection to help them build roots in the community. The Collaborative coordinates recruitment, agency support, engagement, and bonus administration to ensure the long-term sustainability of mental health services in our region.

Food Pantry of Indian River County, Inc. – \$7,500 Awarded (Not Funded)

This grant will fund the Food Pantry of Indian River County's first audit report. The Food Pantry provides emergency food assistance to individuals and families in need throughout Indian River County, ensuring consistent access to nutritious groceries during times of crisis.

Tambourine Shop

Dear Friends of the Tambourine Resale Shop,

As we close another incredible year, we want to extend our sincere thanks for your continued support. Whether you donated, volunteered, shopped, or simply shared our mission, you've played a vital role in helping us make a meaningful impact in our community.

Your generosity is the heart of our success. Every item donated, every dollar spent, and every hour volunteered helps us build a more compassionate and connected Indian River County.

A special thank you to our dedicated manager of 22 years, Jane LaFevers, and our incredible team of 35 volunteers. Their commitment to outstanding customer service and kindness ensures every visitor feels welcomed and valued.

At Tambourine Resale Shop, we proudly offer a wide variety of affordable merchandise for all shoppers. Our focus on customer service, volunteer training, and relationship-building sets us apart, creating a loyal community of returning customers and enthusiastic supporters.

We continue to grow our presence through Instagram, Facebook, and Google, allowing customers to browse new arrivals and stay connected. These tools also remind our community that we welcome "drop-off" donations and offer truck pickups for gently used larger items.

Signage throughout our store highlights the 40+ nonprofits we support, reminding shoppers that their purchases contribute to a greater cause.

Thank you again for being a part of the TRS family. We look forward to seeing you in the shop soon!

Happy Thrifting!

The Service League is proud to support the educational aspirations of John's Island Club employees and their dependents, and college-bound high schoolers in Indian River County. Since its inception in 1999, the Scholarships Program has grown nearly ten-fold. This year's Scholarships distributed totaled \$77,500, and we are excited to announce that—with committed funding for the Fall 2025 school year—we will soon surpass \$1 million in total scholarships funded since the program began.

JOHN'S ISLAND EMPLOYEES AND THEIR DEPENDENTS

Awarded 2025: \$35,000

Total since 1999: \$952,666

Originally established in partnership with Indian River State College (IRSC), the program focused on supporting the post-secondary education of employees' dependents. In 2019, we expanded eligibility to include John's Island Club employees themselves. Most recently, we broadened our scholarship support to those attending accredited out-of-state institutions. Today, we work in collaboration with both the Scholarship Foundation of Indian River County (SFIRC) and IRSC to identify eligible candidates and administer the scholarship process. The Service League also awards its own High Achievement Scholarships to students demonstrating exceptional academic performance.

All applicants must meet key criteria, including employment tenure, full-time student status, and a minimum GPA.

Our scholarship recipients represent a remarkable group of students pursuing a wide range of academic paths. Their fields of study include Criminology, Elementary Education, and Computer Science. They are enrolled in programs leading to associate, bachelor's, master's, and doctoral degrees. We are honored to support them every step of the way and proud of their successes.

TAKE STOCK IN CHILDREN: INDIAN RIVER STATE COLLEGE FOUNDATION

Awarded 2025: \$42,500

Total since 2001: \$413,950

Since its inception in 2001, the JICSL has provided scholarships for low-income students to attend Indian River State College. Initially supporting three students, the program has expanded and this year, scholarships will be awarded to five students. The Students apply to this program when they are in 9th grade. They are mentored throughout high school, as long as they maintain good grades and remain drug and crime free. Following graduation, their tuition is paid to cover a 4-year college degree.

Often, they are the first generation in their family to earn this honor.

We extend our heartfelt thanks to our outstanding program partners: John's Island Club's David Colclough and Kerri Murphy; Camilla Wainwright with SFIRC and Sherri Monds with IRSC.

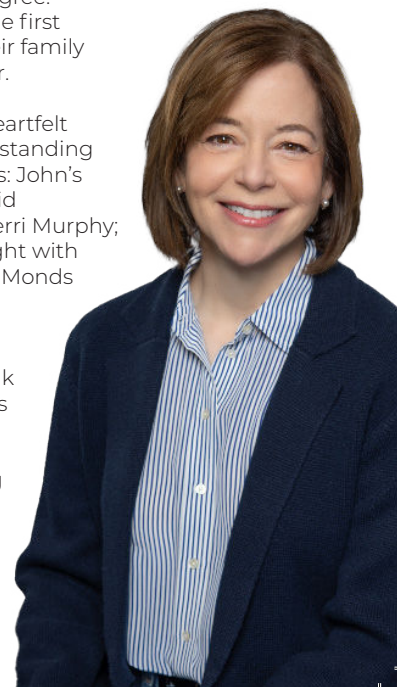

And most importantly, thank you, our generous donors—your support makes this life-changing work possible for our dedicated employees and their families.

Natalee Rogers, and her parents Vikki Rogers and JI employee Derek Rogers, at the SFIRC awards reception. Natalee will be studying Criminology at FSU.

JI employee **Derek Pickerill** opens the SFIRC envelope notifying him of his award amount, as his parents look on. Derek will be attending Methodist University to study Golf Management & Business.

The John's Island Community Service League thanks our donors and major sponsors for helping us host this amazing Fun(d)Raiser celebrating 45 years. Thank you for donating to fund the charitable agencies in Indian River County that affect families in need.

Welcome 2025-2026

Board of Directors

Our Vision

Transforming lives in Indian River County through leadership, collaboration and dedicated philanthropy.

Who We Are

In February 1980, Johnny Van Name took the initiative to establish the League, aiming to raise awareness among John's Island residents, both full time and seasonal, about the needs of the surrounding community. Her vision was clear: to generate funds that could aid women and children who were victims of abuse. To realize this goal, she pioneered the inception of a thrift shop, which has since become known as the Tambourine Resale Shop.

Membership

Your membership dues of \$150 per individual are fully tax deductible and directly support the grants that JICSL distributes each year. In addition, membership gives you the opportunity to participate in a variety of JICSL events, including the annual Spring Benefit, Masters Par 3, Game Day, Opening and Closing Events, and the Film Festival. There are two easy ways to join the JICSL: visit our website at JICSL.org or return the enclosed membership card. Last year, 800 members contributed \$120,000 in support of charitable agencies in Indian River County.
